Dr. Samuel L. Stanley
President
State University of New York at Stony Brook
310 Administration Building
Stony Brook, NY 11794

Dear Dr. Stanley,

The Nick Simons Foundation (NSF) is pleased to confirm a pledged gift of \$500,000 to Stony Brook Foundation for Stony Brook University's Global Health Institute. This contribution is made to support the Pilot and Implementation Phases of the DrOTS Program designed to integrate new drone, electronic communication and monitoring technology into the Nepali government's health system to develop scalable ways to reach the unreachable in remote Nepal; and it is subject to the terms and conditions outlined in this letter.

Financial Agreements:

NSF agrees to pay an amount of \$500,000 over two years as follows:

- i. The first \$250,000 is committed outright on or by December 31, 2017.
- ii. The second \$250,000 will be committed on or by December 31, 2018 provided that the following milestones have been fulfilled by October 31, 2018:
 - a. First diagnostic drone flight
 - b. Complete diagnostic cycle of approximately 20 villages
 - c. Complete treatment of prevalent TB cases in 20 villages

Payments will be processed via wire to Stony Brook Foundation's bank account at JP Morgan Chase Bank. Kindly inform NSF of any future banking changes.

Reporting:

The period of this grant is January 1, 2018 – December 31, 2019.

We request that you submit annual reports including a narrative and financial summary of the activities supported by each of the years covered by this contribution. No funds from this grant may be used for lobbying or in support of a candidate or party seeking elective office as per the charitable grant making guidelines for U.S.-based Foundations.

Public acknowledgement of the Foundation's support of this project in any or all announcements and written materials should be submitted to the Foundation prior to publication.

Suspension/Termination:

In case of financial, ethical, or administrative irregularities, NSF reserves the right to suspend or cancel the award at any time, in whole or in part, at its discretion, with 90 days advance notification given to Stony Brook Foundation. In case of suspension, the award will remain suspended until corrective actions are taken and judged successful by the Foundation.

This commitment becomes effective upon signature by both parties and shall be governed in all respects by the laws of the State of New York. Please acknowledge your acceptance of these terms by signing one copy of this letter and returning it to the Nick Simons Foundation. You may direct all correspondence related to this award, including confirmation of receipt of funds, to Deidre Lee, Nick Simons Foundation, 25 East 22nd Street, New York, NY, 10010; email: dlee@mjsfoundation.org or by phone at (646) 362-0033.

This agreement may be amended at any time by written agreement signed by both Stony Brook Foundation and NSF.

On behalf of all of us at the Nick Simons Foundation, we wish you the best of luck in your efforts and look forward to learning more about the important work of Stony Brook University Global Health Institute.

Sincerely,

Marilyn Simons
Nick Simons Foundation
